

>> Setting Sail with MARUM <<

Join us as we welcome our newest colleagues aboard!

Meet our latest additions to the MARUM crew as they introduce themselves and their previous research, as well as their plans and goals for their work at MARUM.

This event is a chance to explore the diverse expertise within our research centre, foster collaboration, and chart new paths together as we embark on future discoveries.

Next wave: Monday, **15 September 2025** at 09.30 hrs.
in the Pacific Ocean room (Center for Deep-Sea Research)

New crew:

- 09.30 – 09.45 **Ayesha Aslam**, *doctoral researcher in the Marine Robotics group in the "ElbeXtreme" project*
- 09.45 – 10.00 **Ilya Bobrowskiy**, *own ERC starting grant*
- 10.00 – 10.15 **Jinheum Park**, *postdoc in the Organic Geochemistry group*
